

MUHAMMAD TALHA NAEEM ANSARI

WEB DEVELOPER

Hi, I'm Talha Ansari.

I'm currently studying Full Stack Web and Mobile App Development at Saylani Mass IT Training (SMIT). I have a deep passion for technology and love creating websites and mobile apps that are both useful and user-friendly. My main focus right now is front-end development, and I work with tools like Tailwind CSS, JavaScript, React.js, and Next.js to build attractive and functional websites that offer a great user experience.
